

Interquest Detection Canines®
is pleased to announce the Eighth Annual

Interquest “Bucky” Memorial Scholarship

Bucky
1985-2001

An original member of the Interquest organization, Bucky was the embodiment of joy and devotion. His zeal for work and zest for life made him our own detection canine “poster child”. As a true Interquest “team member” for 16 years Bucky exuded an unparalleled joie de vivre - a portion of which we would like to extend to future veterinary and animal behavior students.

Each Spring, Interquest will make available two (2) scholarships in the amount of \$1,000.00 each to the most qualified applicants with plans to study in the fields of veterinary medicine or animal behavior. Applicants should be graduating seniors and have a minimum grade point average of 3.4. Please complete the reverse side and attach the required documentation to submit your application. Make copies as necessary. **Deadline for applications to be received is May 8, 2009.**
